- For now, there is no assigned parking as the carports have not been rebuilt. Parking is in the larger lot. Do not park in the Courtyard area. When the carports are complete, it is expected that all owners/renters use their assigned numbered parking space for their first vehicle and marked visitor parking space for their second vehicle, if one exists. Visitor parking spaces are utilized on a first-come, first-serve basis. No renter is allowed to park more than two (2) vehicles on the premises. As a courtesy to visitors of Sandarac, it is strongly expected that owners park their second car as far away from the main entrances as possible. Extended use of more than 72 hours by the same renter vehicle parked near the entrance of each building is discouraged and will be monitored. All vehicles must

display a Sandarac parking permit or 24 hour parking pass. The parking of campers, mini-homes, recreational vehicles, boats, trailers, etc. is not permitted. In general, no vehicle will be permitted that exceeds the dimensions of the assigned, numbered parking space. Under no circumstances may any vehicle be used for living quarters.

## **TRASH & BULK TRASH**

During season, trash days are Monday, Wednesday, and Friday. During off season, trash days are Monday and Thursday. We increase trash pick-up in November and decrease in April or by May 1<sup>st</sup>. We judge by how quickly the dumpster fills up.

## TRASH CHUTE

We use a trash chute system on each floor near the elevators. Please do not throw loose glass down the chute. Please place in recycling.

## RECYCLING

Recycling is picked up on Friday.

**Recycling Smart is easy!**  
There are **only 5 things** to remember –

- Paper** – no soiled, shredded, metallic or waxed.
- Metal** – only aluminum or steel (tin) cans, aluminum foil and disposable foil pans.
- Cardboard** – any kind of box that doesn't have a waxed coating.
- Plastic** – containers labeled #1 - #7 – no bags, no Styrofoam.
- Glass** – bottles and jars that are clear, green or brown.

Placing anything else in your cart is **"Wish-cycling"** – the most expensive disposal method of all.
